

In anticipation of this year's Sanctity of Human Life Sunday, you have an extraordinary opportunity. For the past year, Mississippians have been collecting signatures in hopes of bringing the abortion issue to a vote by amending our state constitution to define the unborn as persons. Establishing the personhood of the unborn presents the strongest challenge to the tragic Roe v. Wade decision which has allowed over 50 million children to be killed.

To do so, however, we must collect 89,000 certified signatures from all parts of the state by February 13, 2010. We believe the remaining signatures needed are sitting in the pews of our churches this Sunday morning.

*Please:* 1) Sign the petition. 2) Multiply your effort simply by getting ten friends or family members to sign, too. Only God can change hearts, and we look to Him for any real success. But it is obedience for us to act in defense of the helpless. Pray for repentance and real revival in our land, and help us to create just laws that protect all people.
